Thank you to everyone for your cooperation and patience last week. Thankfully there is little damage at our school - just a lot of mess!!

We are also one of the lucky local schools where all staff are able to get to work, even if we had to come the long way around!

Thank you to the Gogarty, Callan and Rutherford families for the wonderful tidy-up on Sunday afternoon. Also thank you to the ladies that volunteered time to clean up in the canteen and kitchen and any other good Samaritans that I do not yet know about.

Much appreciated!

We have electricity, but the computers and phones are still down! Until the phone is fixed you can contact the school on the mobile - 0437 395 694

These situations highlight the need for current emergency contacts to be updated and ensure that someone is always contactable!

Not only do students need to get home quickly in times of emergencies, accidents or sickness, sometimes it is also a safety issue for staff who need to get home!

Due to flooding at Iona School, the staff and students of this school will be joining us for the week. They will be working in the hall, the library and the resource room. As a result there will be no Library this week.

### Calendar reminders

- **Assembly**
  - Year 6 will be sharing on Assembly this week

- **MAY**
  - 5 - Star Struck rehearsal
  - 8 - Trivia Night

---

**Trivia Night**

- **Friday 8 May.**
- Tickets for the Trivia Night are now on sale ($10 each) at the office.

**School Attendance**

Following a safety audit from the Home School Liaison Officer, as of tomorrow, students will line up at their classroom when the 9am bell rings. Rolls will then be marked before any lessons start. If your child arrives after roll-marking you will need to sign them in at the office stating the reason why they are late. This will include Friday mornings where the rolls will be marked before Assembly.

**ANZAC Day March**

- Thank you to all of the students (and parents!) who represented our school at the ANZAC March on Saturday.
- Thank you also to the families who provided wreaths! Your efforts were most appreciated.

**Newsletter Online**

A reminder that our school Newsletter will only be available online from next week (as long as our computers are working!)

There will be a few paper copies available in the office for those that don’t have internet access.

**Book Club**

Book Club is going home this week and is due back to school by Monday May 5.

**Stewart House**

Stewart House envelopes accompany this Newsletter. Each year we have students that benefit from this wonderful program and donations are truly appreciated.
